Letter of Recommendation

The MPED Sp. z o.o. has been cooperating with Central and Eastern Europe AXA Group companies since December 2012. Since then, it has been responsible for the development and maintenance of the systems in the most important operational areas in all our business lines including: automotive, travel, home, medical, legal and insurance protection electronic devices. Years of cooperation during which MPED Sp. z o.o. has been fulfilling its obligations allowed this company to build internal know-how regarding the insurance industry, thanks to which they are able to propose, develop and implement innovative solutions and advise functional and infrastructural changes leading to automation and improvements of the processes as well as resolving problems.

Being very satisfied with the reliability of companies services, we highly recommend MPED Sp. z o.o. as a company distinguished by extensive knowledge, great commitment and timeliness in the implementation of entrusted programming work.
